

LBKA guidance for community visits and events

To benefit from BBKA insurance while attending an event, the attendee must be a full (registered or partner) member of BBKA

If you are going to speak as a member of LBKA, again – for insurance reasons - please advise the LBKA secretary in advance of the event giving date, venue, audience

Please refer to other relevant LBKA guidance and policies (school guidance, safeguarding policy) where this is appropriate.

Where taking live bees in an observation hive a risk assessment must be carried out. <https://www.bbka.org.uk/Handlers/Download.ashx?IDMF=328be887-625f-401d-8795-85a7e75ab720>

For visits carried out on behalf of LBKA there is no charge for the visit. The organisation may be willing to cover mileage costs and any other expenses. These should be agreed before the visit.
